

PARK LAKE STATE SCHOOL

RELIGIOUS EDUCATION

Dear Parent/Caregiver,

Park Lake State School will provide an Ecumenical (Co-operative) Religious Education program for all students for 30 minutes each week.

The students stay in their class groups in their classroom with their own class teacher and a visiting lay teacher teaches to a common curriculum approved by all participating Christian Churches (Catholic, Anglican, Uniting, Presbyterian, Baptist, Assembly of God etc). The program focuses on common Christian themes, beliefs and biblical stories.

Activity books used during the lessons will be required and are available from the office.

All parents who wish their child/children to be non-attenders **must** by law (Education Act) **claim an exemption in writing**. Please hand the written request for exemption into the administration office.

Students without written exemption must attend the classes.

For further information please contact the Religious Education Co-ordinator Mrs Helen McGowan through the office at Park Lake Primary School.

Yours faithfully,

Craig Larden
Principal
