12 October 2017

FROM THE PRINCIPAL’S DESK

Dear Parent/Guardian

I hope all of our students had a great break and are ready for a big term ahead. This is an exciting term with our musical on tonight and tomorrow night and from the parts I have seen I think it will be another fabulous event for our school. We also have our tenth year celebration coming up on us rapidly on Friday 27 October and I hope you are able to join us for the fun.

I had the tremendous pleasure of attending the three day camp for our Japanese Excellence program last week and I have to say that the students were amazing, their knowledge and continued growth in the use of the Japanese language is a credit to their teacher and the depth of teaching provided. The three days were planned and coordinated by Mrs Mikami with support from Mr Syzmkowski and Mrs Tong and it was a brilliant program. One highlight for our students was being taught a part of the opening ceremony dance for the 2020 Tokyo Olympic Games, something that no other people in Australia have the opportunity to be a part of, other than the dancers themselves.

Congratulations and thanks to Mrs Mikami, Mr Syzmkowski and Mrs Tong for putting the program together and for attending the camp to provide this opportunity for our students.

Congratulations also to Mrs Cook, Mrs Nelson and Mr Jenkins on coaching our boys and girls touch football teams this year in preparation for the South Coast competition. Our girls worked hard and learnt many valuable lessons about how to play the game at the highest level, persevering and winning the last game of the day. Our boys were outstanding again and for the second year in a row won the South Coast trophy and didn’t lose a game all day. Both teams are off to compete in the All-Schools State Championships in early November and we wish them all the best. Our boys won this competition last year and are certainly on track to give it another red hot go.

Our Yarning Circle has moved forward another step with the inclusion of information signage regarding the plants that have been added to the area and the upcoming painting of our Rainbow Serpent. We are hoping to start using the area with our students this term and introducing them to the protocols and importance of respect for the area. It would be appreciated if students and parents did not climb on or sit on the Rainbow Serpent both out of respect and for the longevity of the construction.

Have a great fortnight.

Regards

Craig Larden
Principal
Welcome back to Term Four. I hope you all enjoyed a restful break and not having to pack school lunches and do drop-offs for the fortnight!

It has been a joy to replace Mrs. Lennox as Acting Deputy Principal for the first week back. The children have settled back into their routines very quickly and are already diving into the learning experiences. The Year 1 students have eagerly connected with their Under the Sea theme and have delighted in sharing their beautiful classroom displays and sharing some facts they have learnt so far. Did you know that although it looks like a plant, coral is actually a living animal?

On Thursday, the Year 1 students participated in the ‘Start Smart’ financial literacy program run by Comm Bank. Using fun rhymes, hands-on activities and colourful characters they were challenged to ‘Speed To Their Needs’ and ‘Wait For Their Wants’, in order to begin learning how to prioritise spending accordingly. The students were excited about becoming superheroes with their money.

It was wonderful to visit with the Preps and look at a number of the activities that have emerged in response to the interactive play spaces. I saw a wonderful poster created to show counting by 5s, there were a number of letters written to family and I observed a fabulous castle being constructed from kinetic sand while the students extended their vocabulary discussing words like, ‘turrets’ and ‘forts’.

Swimming has commenced for Year 1 and 2 and will run for a fortnight. Please ensure your child has a dry towel, swimming cap, their swimming costume and goggles each day.

We have had a small change to the program and Cockatoo class will now attend from 1:15-2:15pm.

Our school musical, The Lion King Junior will be held this Thursday and Friday evenings. The children have worked extremely hard preparing and it will be a fabulous evening not to be missed.

‘Be grateful for small things, big things and everything in between’. Have a wonderful week.

Sally Parahi
Acting Deputy Principal

A warm welcome back to all our Park Lake families. I hope you all experienced a lovely holiday in our beautiful Spring weather.

Our Year 2 children are currently attending swimming lessons for two weeks. The SUPERFISH Program will nurture and encourage our children to have confidence in the water. These skills will support each child to swim with increased safety in the water.

Swimming is a popular past time in Australia. Swimming skills also assists every individual’s overall motor skill development.

Our Year 3 children attend swimming lessons later this term.

Our Year 3 children are all learning to understand and write poetry.

Why do we teach children poetry?

There are many answers to this and some are specific to the individual. However, we do know that:-

- Memorizing and reciting poems builds confidence.
- Some poems inspire us.
- Some poems puzzle us.
- Some poems make us laugh.
- Some poems we can sing too.
- Poems capture emotions and images in phrases that are often easy to remember.
- Poems allow children to learn about grammar, vocabulary, punctuation in a new text type.
FLIP, SLIDE TURN- YEAR 2

If you walk past our Year 2 classes, you will see children flipping, turning and sliding shapes/ objects to develop an understanding of shape location /transformation. This concept is also entitled ‘geometry’ and assists people to visualize objects from various angles and complete map reading with more ease. Geometry is found everywhere: in art, architecture, engineering, robotics, land surveys, astronomy, sculptures, space, nature, sports, machines, cars and much more. It is wonderful to see children enjoying mathematics and applying it to their world.

Have a wonderful fortnight,
Sue Brown

DEPUTY PRINCIPAL NEWS 4 - 6

Last week I had the pleasure of attending our year 4-6 Japanese excellence camp. It was a fantastic 3 day immersion experience into the Japanese culture. Mrs Mikami had arranged authentic Japanese cultural experiences such as dancing, drumming, origami, sushi making and even karaoke! Congratulations to Mrs Mikami for her outstanding organisation and to all students for their brilliant behaviour. A big thank you to Mr S and the many helpers over the three days.

Tonight is the beginning of our musical. This has been a full year in the making and I am really looking forward to seeing the final product. Well done to all Staff and students who have put an enormous amount of work into this musical so that we can enjoy it over the next two nights.

Finally, I would like to remind all families that Monday October 16 is a pupil free day statewide. Students are not required at school on this day.

Have a great fortnight
Barb

P&C CORNER

TERM 4! Can you believe it?! Lots of fun stuff happening as always so let’s keep informed — the tip I use is if I am short on time I always check out the ‘important dates’ section of the newsletter so that I don’t miss anything.

WHATS COMING UP?

10 Year Celebration – Friday 27th October, 4.30-8.30

The Celebration committee has locked in a great selection of some amazing rides from a reputable company. Wristbands are on sale on flexischools for $25 unlimited rides for the whole 4 hours of the event! That equates to $6.25 per hour which is the approx. cost for only one ride at the Gold Coast or Brisbane shows. Entry is FREE! There will be Food Trucks, Market Stalls, Mad Hatters Cake stall, show bags and more! The night will be complete with Fireworks commencing at 8.30pm!

End of year P&C Meeting

Our last meeting will be held at Pacific Pines Tavern Tuesday 21st November, 2017 - 6pm. More details to come but RSVP will be required. Hope to see you there to celebrate a fantastic year.

ACHIEVEMENTS

Woolworths Eam and Learn has finished

What a great effort collecting this year. Our school collected 43,200 stickers with the Green Tree Frogs winning the most collected! They will be receiving their prize soon. A huge thank you to Maree Likely & Kelly Simmons for taking on the running of this program this year, they did a wonderful job! I look forward to seeing what wonderful resources we gain for the school. Thank you to everyone who collected stickers, your efforts are appreciated!

Under the Sea Disco

So much fun was had at our Under the Sea Disco. Many thanks to Angie Armstrong and her team of volunteers who did an amazing job. Thank you to Ocura Home Doctors Service for sponsoring and running the sausage sizzle!
Our P&C is involved in many areas of the school, Banking, Book club, Uniform shop, Tuckshop, Fundraising Events and more. There are many ways you can be involved in our P&C, from helping make decisions on where our funds go to improve the school to helping out in the Tuckshop. For more information, join our P&C and you will receive regular updates. Just fill in the attached form and return it to the School office. You can also come to our meetings and hear all about what is happening on both the education and development of our school. Meeting dates are below.

Please feel welcome to email me anytime with questions or queries. The P&C is your parent support throughout the school.

Keep Smiling,
Lee-Anne Millard
pandcpresident@parklakess.eq.edu.au

UP-COMING MEETINGS

Tuesday, 24th October, 2017- 6pm
Tuesday 21st November, 2017 - 6pm (End of year Meeting to be held at Pacific Pines Tavern)

Meetings are held in the staff room – next to the library. All are welcome.

UNIFORM SHOP NEWS

Welcome to Term 4 – by far the busiest term for the uniform shop.

Senior Shirts – orders are now being taken for children who will be in Grade 6 in 2018. The first order cut off is Wed 25th Oct. There will also be a 2nd order placed early in Term 1 2018. If you haven’t received an order form, or need another one, please either see the office ladies, or I can email it to you.

Skorts – size 6 skorts are currently out of stock, with size 4 also running very low. These are on order, and will arrive closer to the end of the school year. I will advise when they are back in stock.

Lay-by….Did you know you can lay-by uniforms? This is a great way to get uniforms for next year without the big expense all at once. Minimum payment down is $5, and you have as long as you wish to pay it off. Lay-bys do need to be organised at the Uniform Shop.

Helpers needed. I will be looking for helpers several times throughout the term, and more importantly for the 2 days we are open prior to school going back in January. We do have a lot of fun in the uniform shop, and we would love to see some more faces come along to give a few hours to get a big job done. If you are interested, please email myself, or come in and say hi at the uniform shop when we are open.

Opening Hours Term 4:
Monday morning 8.15 – 9.15
Wednesday afternoon 2.30 – 3.30

**Please also note, the uniform shop has a new email address: pluniforms17@gmail.com If you wish to get in contact via email, please use this address.

Thanks so much

Ann DeLosh
Uniform Shop Convenor

TUCKSHOP NEWS

Welcome back to our final term – TERM 4 (we can’t believe it – where did the year go?). Just a few quick things that are happening at the moment:

STICKYBEAKS REUSABLE LUNCH BAGS

As you may know the Tuckshop is working with the EcoMarines to try and reduce/reuse/recycle. We are encouraging students ordering their lunch to purchase a reusable lunch bag.

When you purchase your lunch on FlexiSchools you are asked…
‘Yes, I am using a reusable bag’ or ‘No’ before you are able to continue with your order.

Don’t have a reusable lunch bag yet? They are available for you to purchase on FlexiSchools when placing your order.

Check out the link below for more information.

REMINDER

PLEASE ENSURE YOUR CHILD’S NAME IS CLEARLY STATED IN CLEAR POCKET OF REUSEABLE BAG
PLACE EMPTY LUNCH BAG IN THE BUCKET AT THE TUCKSHOP MARKED ‘REUSEABLE BAGS’ IN THE MORNING ON DAYS YOU ORDER TUCKSHOP

TUCKSHOP CLOSED FOR 10 YEAR CELEBRATION DAY

Please be advised that the Tuckshop will not be opening on the day of the 10 year celebration
Closed 27th October, 2017
as Tuckshop Staff will be assisting the P&C Association in setting up for a SUPER, FUN & AWESOME 10TH BIRTHDAY CELEBRATION!!!

We look forward to seeing you all there on the night.

Hope you all have a great fortnight!

Lorrie Watts & Gretchen Isedale
Tuckshop Co-Convenors

SPOTLIGHT ON LEARNING

SEP News

Welcome back! I hope that you all have had a relaxing holiday with your families and spent some quality time together. The
Special Education Program has been a busy place during the last term supporting students on class excursions and special events. One of the events which the senior students participated in was the Annual Invitational Athletics Championships for children with a disability held at the Runaway Bay Sports Centre. Over 800 students from 25 schools took part in the carnival with students participating in a range of activities including running races, hockey drills, throwing and catching games and golf skills. The effort students put into each activity was outstanding and they were awarded the trophy for the Champion school. All students who attended received a medal for their participation. This day was a wonderful experience for the students and we look forward to attending the event next year.

Exciting SEP News

Building works will proceed this term on the purpose built SEP unit to open in early 2018. The unit has been designed to accommodate a range of specific needs for children with a disability and will include two low stimulus learning spaces, a sensory room to assist students with autism self-regulate and feel safe, a therapy room for visiting advisory teachers and two designated play area’s for gross motor activities and play. This extension to the school is very exciting and will allow the school to support a larger number of students who may require extra support in the school setting.

CURRICULUM CORNER

Rigorous Reading – (Text Dependent Questioning)

As you know across all year levels we have been focussing on Rigorous Reading using complex texts, effective questioning (levels of questioning as per the diagram at the bottom of this article) and critical thinking which will ensure our students become independent learners when reading to learn.

**So now it’s your turn:** put yourself in your child’s shoes! Read the text below and answer the questions... have fun!

- If you need some help you may well have an expert in your midst, ask your child to help out, do it together!

What Text type is this? How do you know? Prove it! (look for the text features chapter number, chapter title, dialogue …)

**General Understanding:**

1. The text is mostly about...
2. What is ‘The rule… ‘?

**Key Details:** (Who? What? Where? How? Why?...)

1. Who is the main character of the story?
2. What is he getting out of the cupboard to make the medicine in?

**Vocabulary & Text Structure:** (identify whether there are stanzas or paragraphs – number them)

1. What does ‘knock the old girl sideways’ mean in the final paragraph?
2. Replace the words ‘fool about’ in the final paragraph to keep the meaning the same.

**Authors Purpose:**

1. What is the author’s purpose for writing this? (to inform, persuade, entertain ….)
   How do you know? Prove it!
2. Who is telling the story?
   How do you know? Prove it!

**Inference:** (use clues from the text and your prior knowledge)

1. Was George really tidying the kitchen when his Grandma yelled at him?
   How do you know? Prove it!
2. Georges Grandma has really good hearing – true or false?
   How do you know? Prove it!

**Opinions, Arguments and Intertextual connection:**

1. Why do you think George didn’t want his Grandma to know what he was doing in the kitchen?
2. George shouldn’t be making the medicine in the kitchen on his own – argue for or against!

What type of thinking – not thinking - are we asking you to do (the left hand triangle) at each stage of questioning (the right hand triangle)…

HEALTHY HABITS

You Can Do It!
“RESILIENCE – one of the keys to success”

A resilient child knows how to stop themselves from getting angry, down or worried when something “bad” happens. They are able to calm down and feel better when they get upset. A resilient child is also able to control their behaviour when they are very upset so that they can bounce back from difficulty and return to work or play.

**ADMIN UPDATES**

PAYMENT OPTION: BPoint. For paying students invoices/accounts via ‘B-point’ allowing parents to pay their child’s invoices directly from home and receive the receipt immediately. This system is linked to our One School system, which means, once the CRN number and invoice number is entered it automatically links to the school system and marks as paid. This is a highly effective system which allows parents to be receipted immediately and much less processing for our admin staff. The invoices show the CRN number and the invoice number on the bottom left hand side of the document. Please ensure you enter these numbers correctly if using this option to make payment. If you have any queries, please contact the school.

Bpoint can be accessed via ANY Computer or Smart Phone. Payments accepted via Mastercard or VISA and is a secured payment method. Parents can log into the link below. Once you have logged in you will need the information from the school invoice to complete the BPOINT payment page.

Please refer to the attached instructions.

Our bank account details are as follows:
BSB 064-474
Account Number: 10252850
Account Name: Park Lake State School General Account

**LOST PROPERTY**

We are once again overflowing with lost property. All items will be on display next **Tuesday 17th October** at the front entrance of the school. Any remaining items will be donated to charity.

**BOOK FAIR**

Celebrating 10 years at PLSS with a Book Fair! Coming soon!!!

Get ready to go wild for books at our Reading Rainforest Book Fair. Coming in Week 4 and helping to celebrate 10 years at PLSS.

When: Monday 23rd – Friday 27th October
Where: PLSS Resource Information Centre
Times open: 8 am-8.40am; First Break; and 3pm–3.30pm

SPECIAL EVENT!!! Friday night 27th 4.30-8.30pm

Book Fairs are a great way for parents and children to look at and buy quality books. We help Scholastic sell the books and in return we receive many new free resources, so please come along and support our library.

Everyone who buys a book or two (!) will get a chance to enter a competition to win a $30.00 voucher to be spent at the Fair. There are 2 vouchers available.

Please be aware of our SPECIAL EVENT. We are helping to celebrate 10 years at Park Lake on the Celebration night of Friday 27th October from 4.30-8.30pm.

Parents, grandparents and friends are all invited! Come along to the 10 year celebration and buy a book!!!

All classes will be able to peruse the Fair and write wish lists. Please see the attached fler for a quick look at what will be available.

Looking forward to seeing lots of families.

**Regards,**

Marcia McMahon, Teacher-Librarian

---

**LANGUAGES – JAPANESE**

Konnichi-wa

Welcome to Term 4. Selected Year 4, 5, 6 students enjoyed three days on our School Japanese Excellence Camp in Week 1. Over 40 students and Mr Larden, Mrs Tong, Mr S and myself attended the camp. Students were immersed in Japanese language and culture for 3 days at the Numinbah Valley EEC. Thank you to all those involved.

**EKO MARINES**

- Daytime: Sharks
  - The greatest planktonic fish in the world is the pacific oceanic mako shark, the grey nurse shark was hunted almost to extinction during the 1960s to the 1970s due to its blubber.

  - Boat habitats for grey nurse sharks are often found off the coast and nearby continental slopes or continental shelves. This species has a large number of the shark with a broad and fine scale texture, with the dusky nurse shark and the sharp-nosed nurse shark being the most common species from fishing gear. Boat habitats for grey nurse sharks are often found off the coast and nearby continental slopes or continental shelves.

  - Visit our website for more information.

- Night fishing tips
  - Abandoned, lost and discarded nets, lines and boxes known as “ghost gear” are one of the biggest threats to ocean life. Such gear is thrown into the ocean by fishermen.

  - A staggering 46000 tonnes of gear is left in our oceans each year. This gear is often very difficult to remove. The gear is often lost, damaged, or lost.

- Racist Free Thursdays
  - The term “Thursday” is returning. We will be on the lookout for lynching tree hogs that have been polluted. Please keep your pets away from these pollutants.

- Recycled Cellphones
  - We are a recycling competition. The school will recycle any mobile phone that is faulty and we will give you a reward.

- Environmental Enthusias
  - Use sustainable energy

HPE NEWS

Touch Football

Last Friday we had both a boys and girls team compete in the Gold Coast Schools Touch Football Tournament. The girls tried hard and improved with each game. They never gave up and beat Southport 3-2 in their final game.

The boys played hard with determination and their teamwork was outstanding. They won all 4 games which qualified them into the semis. Here they won by a huge margin against Arundel 14-3. The grand final against Coomera Springs was tough and a real nail biter game, with each team scoring try for try. In the end, Park Lake were victorious 6-5.

It was great to defend the title again from last year and I am so proud of both teams for their sportsmanship and teamwork displayed.

I would like to thank Mrs Nelson and Mr Jenkins for the time and effort they have put in to coaching these teams. They will continue for the next few weeks as both teams are competing in the ‘All Schools’ tournament which the boys won last year. This is a weekend event on 4th & 5th November and we wish them well.

Interschool Sport (Year 4-6)

Tuesday 24th October. Students have chosen to play either AFL or Netball.
AFL – Coomera Sports Park
Netball – Southport courts in Benowa.
A note will be coming home shortly with all details.

Swimming Carnival (Year 3-6)

Wednesday 6th December at Nerang Pool.
A note and payment details will be emailed home shortly.

Alison Cook
PE Specialist

THE LION KING JR

NEW ENROLMENTS 2018

The 2018 Enrolment process has commenced. If you have not already registered with the office please do so as soon as possible. We are now accepting all relevant paperwork – please see requirements below:

Documentation required:

- Completed enrolment form – available to download from our website www.parklakess.eq.edu.au
- Original Birth Certificate
- Passport required if born outside of Australia
- 2 Proof of Residence i.e. Current Rates Notice/Lease Agreement + Utilities Account
- Transition Statement from your Kindy for prep enrolments
LEAVING PARK LAKE SS END 2017

If you have a child/ren that will be leaving Park Lake SS at the end of term 4, 2017, please notify the office at office@parklakess.eq.edu.au. Once known, please advise the final departure date and the school that they will be attending in 2018.

Please note that this does NOT apply to students currently in Year 6 who will be moving on to high school in 2018.

BOXBALL PARK LAKE SS TERM 4
