FROM THE PRINCIPAL'S DESK

Dear Parent/Carer

Welcome back to another term of learning and activities for your children. I hope that everyone had an enjoyable Easter period and that you were able to find time to enjoy the fantastic weather with your family and friends.

Our first week saw another very successful ANZAC ceremony, the students were amazing once again showing a deep level of respect for this solemn occasion. Thank you to Sergeant Culloty for once again inspiring our students with his message about the ANZAC tradition, where it came from, why it started and why it is important for us to remember our past so we don’t continue to make the same mistakes in the future. Congratulations to our school leaders on the fabulous part they played in our service and to our senior choir on their performance. Particular thanks to Mrs Lennox for organising another successful service and to Mr Englert for running the program and Miss Filkorn for coordinating the musical element of the day.

NAPLAN testing will be held on Tuesday 13, Wednesday 14 and Thursday 15 May, with Friday 16 May as a catch up day for absent students. The tests are for students in Years 3, 5 and 7 and will cover writing, reading, language conventions and numeracy over the three days. To assist your child to do their best please be sure that they are having sufficient sleep, eating well, particularly a good sustaining breakfast on the days of testing, and that they are at school on time ready for the testing during first session.

It is also a great idea to speak with your children about reading questions carefully and not rushing through the test, it is not a race. Encourage them to have a go and not to leave any questions unanswered, particularly if they are multiple-choice.

I am often asked if a child has to do the testing, certainly the majority of students do the testing across the country, however there are times when some students have some extra support or are exempted from the testing due to a range of individual learning needs. We have had parents withdraw their child from testing in the past due to all sorts of reasons ranging from religious beliefs, anxiety, disabilities and many more personal reasons. If you have any concerns about your child doing the NAPLAN tests then please discuss these with Mrs Tong, Deputy Principal, and she will be able to assist you with further information.

Something that you may not be aware of is that if you are intending to take your child/children out of school for a period greater than ten days, no matter what the purpose, you must apply for an exemption from compulsory attendance. This is a simple form which must be completed and supported by documentary evidence of your reasons for requesting the exemption. For example if you are travelling overseas you would need to provide the itinerary or a copy of your tickets showing the dates of departure and return. If it is for a sporting event then a letter showing that this is the case, this is more relevant if it is necessary to take a child out of school as a sibling is participating in an event. The main thing is that you need to apply in advance and provide us with at least two weeks to process your request, this also gives time for any additional proof to be requested if necessary and for you to ask questions about what you may need to provide.

Whilst the Department will, through the Principal, approve most applications it is not always the case and if you do not have the appropriate approval it can lead to serious complications. It is not encouraged to take family holidays during school terms, however sometimes this is unavoidable for a range of reasons and we just need an appropriate amount of time to respond to your request. If you have any queries about this process please contact the Admin Office and we will be able to assist.

If you have a child in Prep through to Year 4 then you may have heard them talking about our new reading program, Daily 5. This program is gaining a lot of momentum in our school and it is exciting children to want to read, to learn about themselves as readers and how they can set targets for reading improvement that are simple to understand and focused. One of the big 5 is reading stamina, this is all about helping children to build their ability to read for longer periods of time, sustaining interest and being able to recall what they have been reading. My discussions with a range of children last term were focused on stamina and the responses they were able to give me were fantastic. It is exciting for me as a teacher and principal to see and hear students talking to each other about how they are improving their reading stamina, how they know better ways
to choose books that suit them, their interests and reading abilities. I am looking forward to seeing how much impact this program will have in the longer term for our students, if the short term gains are an indication then I think we are in for a fabulous journey. Ask your child to tell you about Daily 5, I am sure you will be surprised.

Just a reminder that your P&C Association do a wonderful job in supporting our school and every student through a range of involvement in our school including input into strategic documents, discussions about positive areas of our school and elements that may need to be looked at, and fundraising. The more parents and carers that are involved the more all students benefit, the volunteers who take on these positions do not do it for self-glorification, they do it because they want to help and make a difference and we should all be very grateful for the time and energy they put in. Not everyone has the time to support the P&C physically, one simple way you can help is by paying your student financial contribution, only $50.00 per child to a maximum of $125.00 for three or more children. All money raised is put back into our school to support students, the P&C have contributed close to $100 000 worth of books alone to our library and classrooms, $40 000 worth of ipads, sunshades and playground upgrades well in excess of $30 000. There are many other items within our school totalling close to $400 000 that are or have been supported through P&C funding, one big one coming up is adding fans to our hall. If you haven’t already paid your student contribution please consider doing it as soon as possible, you can pay at the uniform shop or on-line through the flexi-schools ordering system used in the tuckshop, every dollar will make a difference for our students.

Have a great fortnight.

Regards

Craig Larden
Principal

DEPUTY PRINCIPAL NEWS P - 2

Hello Everyone

Welcome to term two. Hope you all had a restful break, enjoying the company of your family and friends. The extended break, now a two week period, is certainly beneficial to both staff and students, as all look refreshed and ready to begin the new term. I look forward to the weeks ahead as we are now in full swing with regards to the teaching and learning process. Formal reporting will take place at the end of this term, informing you of the progress your child has made in relation to their learning.

We welcome Mrs Kelly Hall to our teaching team. She will be the classroom teacher of the Kookaburra class. It will take her a little while to settle into her new environment however I am sure you will all support her in this transition. Welcome Mrs Hall. There are certainly changes that we will continue to encounter, as we continue to grow, so thank you in advance for your understanding in regards to this matter.

Our ANZAC Day service was once again a lovely tribute to the service men and women of Australia and New Zealand that have gone before us. Thank-you to our special guest; Sgt Donald Culloty, father of Riley who addressed us, Mr Englert for his professional approach in conducting the ceremony, Miss Sonia Flikorn and the Senior Choir for their lovely song and Mr Joel Gernsfor all his work behind the scenes in making the event so memorable. The school service is an important part of our culture and we will continue to recognise its importance for years to come. Our student body demonstrated respect during the service and I was extremely proud of the way in which they conducted themselves.

Our first disco for 2014 will be held tonight. It should be a fantastic night with lots of excited students having a great time. Thank you in advance to the staff who will assist with supervision. A huge thank you also to the P&C, for their organisation of the event and the parents who will help. It is certainly a great fundraiser for our school. Please support this event. Looking forward to seeing you all there.

Under 8’s Week celebrations: This year Prep, Year 1 and Year 2 will celebrate Under 8’s week on Friday 23 May. The theme for this year is ‘Everyone Can Play.’ Your child will be involved in a number of rotational experiences on this day. Your classroom teachers will provide further information to you soon. This is to recognise the importance of a child’s development in the Early Years and the learning that is required to take place in order for them to gain the crucial building blocks to become a life-long learner.

Please continue to support our Active Schools Travel program by encouraging your children to walk or wheel to school on Wednesday or any school day. Our students are off to a great start and are excited by the incentives that they will receive for their efforts.

Tuck shop reminders:

- If your child is not in attendance at school and you have an ongoing, weekly order please advise the canteen that they are absent so the order can be cancelled. The student will not be able to get this order at a later date or an alternative day.

- If your child does not receive their ordered lunch please encourage them to let the teacher on duty know straight away. Remind them on the mornings that they have tuck shop and check at the end of the day that the experience was successful. It is difficult to retract an issue that occurred days or weeks before.

I continue to enjoy sharing the learning journey with your child and look forward to working with you all again this term.

Be well and enjoy life; each and every day.

Yours In Education

Mrs Kris Lennox
Deputy Principal
A big Welcome back to another exciting term. I am looking forward to my first disco here at Park Lake SS tonight. I know that some of our students have been learning some great dance moves during the Footsteps Program.

Last week’s ANZAC ceremony at school was particularly moving. I would particularly like to thank Kris Lennox, David Englert, our school captains (Chelsea, Tytan, Holly, Jessica) and the many student councillors who played a vital role in the ceremony. Sergeant Donald Gulloty (dad of Eloise and Riley) gave a wonderful address to our school community about the importance of ANZAC day and how we can continue the spirit of the Anzacs. Thank you to Sergeant Gulloty for helping our school community to understand the importance of this day.

From May 13-15, our Year 3, 5, 7 students will be participating in the National Assessment Program for Literacy and Numeracy. The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual assessment for students in Years 3, 5, 7 and 9. It has been an everyday part of the school calendar since 2008.

NAPLAN tests the sorts of skills that are essential for every child to progress through school and life, such as reading, writing, spelling and numeracy. The assessments are undertaken nationwide, every year, in the second full week in May.

NAPLAN is made up of tests in the four areas (or ‘domains’) of: Reading Writing Language Conventions (spelling, grammar and punctuation) Numeracy.

NAPLAN tests skills in literacy and numeracy that are developed over time through the school curriculum. Further information for Parents can be found here: http://www.nap.edu.au/verve/_resources/NAPLAN_2014_information_for_parents_brochure_web.pdf

It is an expectation that all students participate in NAPLAN. Students with disabilities are able to receive support provisions to enable them to access the tests on the same basis as students without disabilities. Our Special Education staff is currently working with families whom this may effect.

Parents are able to withdraw their children due to religious or philosophical objections to the test. However, it is important to do this only after consultation with the school, as there are notification forms that need to be filled out. If this is the case for your child, please make an appointment with me this week.

For our Year 6 and Year 7 students and their families, a reminder that Pacific Pines State High School will be holding their Open Night next Thursday May 8 from 6:00pm-7:45pm. At this evening you will be able to see and experience the many and varied course options that are available to your child if you choose to attend Pacific Pines high in 2015. I hope many of you are able to attend.

Have a fantastic fortnight,

Barb

P&C CORNER

Welcome back to EVERYONE! We hope you have had a lovely break and are recharged!

Are you ready for an EXCITING TERM 2? There is lots happening – refer details below. If you are able to help at any events we would love to hear from you!

Upcoming Meetings

MORNING MEETING

Tuesday 20th May, 2014 – 9.00am
(In the staff room – next to the library)
(Please note meeting date change from Tuesday 13th due to Naplan Testing)

Our next evening meeting will be held in Week 8

EVENING MEETING

Tuesday, 10th June, 2014 – 6.30pm
(In the staff room – next to the library)

UNIFORM SHOP

Just a reminder to parents that during Term 2 & 3 our operating hours are

FRIDAY’S
8.15am to 9.00am

As the cooler months get closer, I am sure many parents are looking to purchase Jumpers, Jackets and Trackpants. Our MicroFibre Trackuits are a great option so please consider these as you make purchases for the cooler months.

Layby is available – so you don’t miss out!

SENIOR SHIRTS

Senior shirts are being manufactured as this newsletter goes to email. We will advise everyone ASAP when we have a more accurate delivery date.

Thank you for your patience.
DON'T FORGET YOUR CONTRIBUTION!

Did you know that you can pay your contribution online? Just log in to Flexi-Schools - where you order your lunches! Or pay by Cash, Eftpos or Cheque at the Uniform Shop. The contribution is just $50.00 per child and is capped at $125.00 for 3 or more children. That’s for an entire year! It’s all about your children – they’re worth it!

FUNDRAISING NEWS

DISCO

Due to severe weather warnings and the unrelenting rain, we had to postpone our Term 1 Disco.

We apologise for any upset this may have caused students and their families. The good news is that we were able to reschedule this event to be held this Thursday. If you had already purchased your wristband – please keep it somewhere safe for use at this re-scheduled event. We look forward to seeing you there!!!

THURSDAY 1ST MAY, 2014
Prep to Yr 2 – 5.00pm till 6.00pm
Yr 3 to Yr 7 – 6.15pm till 7.30pm

MOTHER’S DAY STALL

This is an exciting new addition to our Fundraising Calendar this year. Our stall will be held in Week 3 on Wednesday 7th May, 2014.

Gifts will be priced between $2.00 and $10.00 (Classes will be allocated a time slot during the day to purchase their gifts). We are sure your child will find something special that will make her YEAR!

PS – Don’t worry Dad’s you will get your turn in September!

TUCKSHOP

Our Tuckshop is still actively seeking volunteers!

Sadly there are a number of days we are seriously under-staffed and at risk of having to close. If you can help out even just for an hour we would love to hear from you! Please call in and see our Tuckshop Staff or you can call Tania on 0409 036 672.

TUCKSHOP HOURS

Monday – Friday
From 8.30am
Thank you for your support.

SCHOOL BANKING

The Commonwealth Bank School banking program is a wonderful initiative which helps students at Park Lake learn the value of money and how to save it. This program has now resumed for Term 2.

We appreciate your ongoing support.

TREE’S FOR YOUR SCHOOL

Did you know that each year home owners are able to receive plants and trees from our local council? If you have already landscaped your property you can donate your trees to Park Lake State School?
THE ATHLETE’S FOOT

The Athlete’s Foot Helensvale supports Park Lake State School by making a donation back to the school whenever you make a purchase of school shoes/runners/footy boots. Simply tell the cashier that you attend Park Lake State School when you are making your purchase.

SPOTLIGHT ON LEARNING

It has been an excellent first term in Year 5. We’ve welcomed Mr Brightwell and Miss Kaoustos to our school, worked hard in the new classrooms and improved on our ability to be responsible and independent. During English, our focus has been on writing narratives using complex sentences, precise vocabulary, well-structured sentences and fantasy characters. The students have come up with some impressive pieces of writing that show this. It is amazing to see the growth that some students have shown. Our focus in Term 2 will be on increasing stamina during writing, in preparation for NAPLAN and beginning to work on Persuasive text.

Don’t be surprised to hear some very strong arguments about why they should not do their homework! (We’ll come up with others to persuade them otherwise!).

Reading is a major focus for our school and we have been encouraging comprehension through a range of methods. One of our main focusses has been the QAR strategy where students think about the types of questions that can be asked about a text and try to locate that answer. The students have been having some outstanding conversations about their text.

The Year 5 Team have just begun problem solving groups for Maths. In these, we hope to discuss key words and important information that is needed in order to answer a question, and provide them with a variety of strategies to do this. These groups have been streamed according to ability to ensure that we work at the students own level.

We have included some pictures of some outstanding Art and Technology projects that have occurred over the last few weeks. The students have been encouraged to be creative while also meeting design requirements in these tasks.

We are very much looking forward to all that Term 2 has to offer. Camp will be held at the end of the Term, NAPLAN in Week 3, discos, sports carnivals, and lots of other great learning will be occurring.

IMPACT

At Park Lake we believe that best practice is achieved when Parents, Teachers, Students, and the Community work collaboratively to facilitate Educational goals. We use the IMPACT Pedagogical Framework to guide and reflect on the teaching and learning process.

I – Inspire
Creating a highly stimulating learning space. Engaging all students.

M – Multiple Pathways
Using many methods to facilitate learning, catering for all our student’s needs.

P – Practice
Using digital technology, Multiple Intelligences, 6 Hat Thinking, Blooms and You can do it, to make enriching environments where students are learning.

A – Analyse
Teachers look at how things have been going through pre-assessment, assessment tasks, feedback loops and peer reflection.

C – Connect
It is important that the learner sees the real world connections in their learning. Inviting community members into classrooms to give students a context for their knowledge ensures learning becomes more relevant and enthusiasm is fostered.

T – Transform
Teachers want their students to be equipped with skills and knowledge to tackle the challenges that they face daily, as do students and community members want Teachers to use current practices that are well researched and evidence based.

This model ensures that diverse learners are catered for and individual learning pathways are created. Teaching and learning environments are stimulating, engaging and challenging our learners. Teachers work through the phases independently, reflecting on their teaching, embedding ICTs and establishing structures within the learning space to support and improve student outcomes.
HEALTHY HABITS

CHILD & ADOLESCENT ORAL HEALTH SERVICE

Students in grades (PREP,1,2,3,5,6,7) have been provided with an offer of oral health care examination card to take home.

If your child is enrolled in one of the grades listed above or are new to the school and did not receive an examination card and would like to arrange for your child to receive oral health care please contact the Oral Health Call Centre 1300 300 850. Monday to Friday 8.00 am – 4.30 pm Excluding Public Holidays.

If your child requires disability access please identify this requirement with the Call Centre Operator.

YOU CAN DO IT! PROGRAM

**HPE NEWS**

We are back for another busy term of PE. This term all classes are learning athletics such as shot-put, long jump, high jump, sprints, relays and hurdles. We have been very fortunate for the past 2 weeks to have Neil from Little Athletics Program for Schools work with the majority of classes during PE lessons, teaching the students shot-put and high jump. His valuable expertise has enabled students to learn so much and we have seen many students further their throws and jumps.

Congratulations to Emma Bruce who was selected in the South Coast U/12 Girls Hockey Team. Emma played in the carnival on Tuesday 29th April and did a fantastic job. Well done Emma.

**Dates for this term**

Tuesday 3rd June – Interschool Sport (Years 4-7)
Tuesday 10th June – Junior Athletics Carnival (P-1) & (2-3)
Wednesday 11th June – Athletics (4-7) 200m & 800m only (12-3pm)
Tuesday 17th June – Senior Athletics Carnival (years 4-7)

Yours in PE
Mrs Cook & Miss Fiscalini

CAMP AUSTRALIA
Over at the OSHC service we have had a great time and plenty of fun at the recent Holiday Club. We participated in incursions including Silly Science, Bag painting and we even made some music videos. We also went on an excursion to the Lego Movie.

This term we are focusing more on Sun Safety, please remind your child that they will need their hat for outdoor play. Some of the children leave their hats in the classroom, it is important that if they do this, that they have a Sun Smart hat in their bag for Outside School Hours Care.

If you would like any more information about before and after school care, please call in and see Vanessa Rainbow at the OSHC building (the hall) between 6.30am and 8.30am for Before School Care and 3 pm and 6pm for After School Care each school day. Alternately you can you can call on 0452 247 676. For all other inquiries contact Camp Australia’s friendly Customer Service Team on 1300 105 343.

We have a lot to look forward to with a new coordinator, new and exciting activities and new smiles!
**COMMUNITY ANNOUNCEMENTS**

**Pawsitive Psych Solutions**
Animal-assisted therapy

---

**FREE well-being course with animal-assisted therapy!**

Over 6 weeks, we will share with you proven strategies so you too, can learn how to live a life worth living. We will be incorporating the benefits of animal-assisted therapy in this program and will have our service/therapy dog/s in attendance. By the end of the program, you will know how to feel more motivated, assertive, organised, positive, and relaxed!

This program is facilitated by a registered psychologist. It is action-packed with proven and effective strategies to help you get your life on track and make some positive changes, so you can live a life worth living!

*Note - please do not join this program if you do not like dogs*

**Program details**
- Friday 9 May 2014 from 10.30am to 12.30pm for 6 weeks
- Held in the training room at the GP Super Clinic
- Places are limited, and on a first-in, first-served basis
- There will be at least one service/therapy dog in attendance - please do not join this program if you do not like animals or suffer any allergies or other conditions that may affect your participation
- Cost: FREE

To register for this free program, please visit our website at www.pawsitivepsychsolutions.com.au, click on the "well-being program" tab and follow the prompts.

This program is funded by:

Ph: 5502-6529
www.pawsitivepsychsolutions.com.au

---

**Bike Week**

**SATURDAY 26 APRIL**
**SUNDAY 4 MAY**

**Celebrate cycling and being active.**

**Free bike workshops**
- Free bike workshops designed to increase bicycle safety.
- Held in the training room at the GP Super Clinic
- Free entrance. All participants must sign a waiver

**Ride 1 Work Shop**
- Saturday 26 April
- 3pm to 4pm
- Free entrance

**Ride 2 Work Shop**
- Saturday 26 April
- 5pm to 6pm
- Free entrance

**Gold Coast Light Rail**

**GET READY, GET SET, GO!**

*Light rail is now on the Gold Coast*

*Stay safe around the light rail corridor with safety tips inside:
- Obey the rules
- Keep pedestrians out of the way
- Watch for signals and dead rails
- Travel on the platform only
- Take the time and stay safe*

---

**Testing for your safety**

To ensure the Gold Coast light rail system is operating safely prior to service commencing the system goes through a rigorous testing program.
