FROM THE PRINCIPAL’S DESK

Dear Parent/Carer

Term 4, the last term that Year 7 students will be a part of Primary School education in Queensland. The move of Year 7 to High School will bring Queensland into line with most other states and provide our Year 7 students with opportunities to engage with specialist equipment, such as Science laboratories, that are not available in a Primary School. This is an exciting time for education in Queensland although I am aware that for some of our Year 6 students and families it may also be a time of uncertainty and worry about how they will cope in the High School environment a year earlier than anticipated. All of our local High Schools have prepared thoroughly to ensure that students will be catered for appropriately when they arrive at school in 2015. Pacific Pines SHS, for example, has created an area specifically for Year 7 where they will work in pod style arrangements with a reduced number of teachers. This will provide the students with the support they need to settle into High School life, they will have more than one teacher and move classrooms depending upon the subject however they won’t have seven or eight different teachers. I have certainly had many conversations with staff from Pacific Pines about the types of things that need to be considered for these students and feel confident that our students will be well cared for as they enter this new learning environment.

If you are concerned in any way about your child starting High School in 2015 please contact the school they will be attending and discuss your concerns with the Deputy Principal responsible for the Junior Secondary area.

This week I have had the pleasure of being in the Sydney Harbour Bridge classroom to observe a Mathematics lesson, what an impressive group of students, they were fully engaged with their learning and demonstrated an excellent understanding of their number facts and symmetry, a very tricky concept to grasp at times. I was also able to visit the Great Australian Bight classroom and discuss the construction of dioramas related to a book they have been working on called Rowan of Rin. It was exciting to see the students participating in an activity which allowed them to express their understanding of the book, as I spoke with the students about their dioramas it became very obvious that they had a significant depth of knowledge in relation to the book, story line and characters involved. Well done to both classes and thank you for inviting me into your classrooms.

Are you aware of all of the ways that you can find out information about our school and what is happening? There is our fortnightly school newsletter, QSchools App which has announcements and current events, our Facebook page, we send out emails of upcoming events to specific year levels as well as a number of reminders about payment dates, our electronic sign at the front of the school is updated regularly and classroom teachers remind your children about events that are approaching. There are many ways that you can keep yourself informed about what is happening at our school, news, excursions and celebrations, please take the time to access these information avenues so that you and your children don’t miss out on important dates and events.

As you would be aware we had a fundraiser earlier in the year to support Jake Stevenson and his Mum to travel to France for treatment for his rare and painful skin disease. Well, they have returned after three weeks of treatment with big smiles and many thanks for your support. Jake has made significant progress and has found a new lease on life. It was wonderful to see him on Wednesday last week wearing shorts and a t-shirt, smiling and in far less pain. There is still a long way to go for this little boy and his family, however the treatment has had an effect and given them a great deal of relief. Thank you again for your support for Jake and I will let you know of future progress.

Have a great fortnight.

Regards

Craig Larden
Principal
Hi Everyone

Hope you all enjoyed the sunshine over the holidays with your families. The weather certainly allowed the great outdoors to be enjoyed which was nice for a change. Welcome back to term four, the very busy term and with only forty one school days remaining, we have much to do.

Since re-commencing back here after the holidays we have had many new families join our school community. I extend a warm welcome to you all and hope you feel comfortable in your new surrounds. I encourage you to be engaged in your child’s learning and be an active member of our school.

Last term and the beginning of this term we have had, and will have, many extra-curricular events taking place. Our swimming program for P-2 and our school disco. All of these activities require extra effort for our staff and P&C volunteers, which we are grateful for. Thank you for going beyond the call of duty once again. It is certainly appreciated and important that we here at school provide these activities for our students to develop skill in all areas. This week our swimming program for 3-4 commenced, Year 1 & 2 sleepover will occur tomorrow evening and the Life Education program has been in full swing. I look forward to hearing about and being involved in these programs.

On the student free day our staff will participate in first aid and CPR training. The components of the course include asthma and anaphylaxis which are priorities for our school in keeping our students safe. All staff at Park Lake completes this on an annual basis to keep their certificates current and knowledge up to date. It is always a valued experience and comforting to know that people in our school know how to deal with a medical emergency when it arises.

Congratulations to Mrs Hughes (Miss Geerligs) and Mrs Tanner (Miss Seater) who got married over the break. They both looked stunning. Best wishes on the journey ahead.

We welcome some new teachers to our staff this term. Mr Williams in Borogoura, Mr Szymkowski in Fraser Island and Miss Pocock in Crocodiles. Students in these classes have made them feel welcome and are maintaining their work ethic to the standard that was expected previously. I look forward to working with them this term. Mrs Van Eyk and Mrs Hughes are also doing a wonderful job in their roles this term. Keep up the great work.

All teachers are now beginning to collate data, complete assessments and begin the report writing process. It is therefore important that students are making sure that all work requirements are being completed, handed in and giving their best effort every day. Thanks for your continued support in this area.

Congratulations to Ava, Lucy, Deegan and Freya who produced the winning entry for the Active Schools Travel Fantastic Film competition. They each received a $75 give voucher for their efforts and a $500 voucher for the school.

Thanks also to Ms Clark for supporting them with this. Winners are grinners.

The 28 October is Grandparents Day. Grandparents are very important in a child’s life and we want to value this relationship. Please encourage your child to thank their grandparent for the significant input they have during your child’s life.

Koala Joey’s Playgroup: This runs every Thursday morning from 9:00 am until 10:30 am and is a wonderful, cost free opportunity for your child to engage in singing, storytelling and play. Oral language development is vital in the early years so it could be a special gift you give your child. We look forward to seeing you there.

Prep Orientation Day: Friday 24 November 2014

If you have a Preppie for 2015 or know of someone who has, please complete the enrolment forms as soon as possible and make sure you are registered to attend our Orientation day. We also require a copy of your child’s transition statements which you will receive from their early childhood educational setting toward the end of the year.
As the weather is warming up please make sure that your child’s lunchbox includes an ice brick to keep perishable food fresh and also provide a large drink bottle, possibly half frozen to access throughout their day. Students need to continually refuel their bodies and minds in order to learn and make great choices while here at school. Thanks in advance for your support regarding this matter.

Hope the fortnight ahead is great.

Yours in Education

Mrs Kris Lennox
Deputy Principal

DEPUTY PRINCIPAL NEWS MIDDLE PHASE

Welcome back to Term 4. This term, we welcome Mr Andrew Williams (year 6) and Mr Tony Szymkowski (Year 3) to the middle phase team.Both staff have settled in really well and have quickly developed a positive rapport with their students. They are certainly a great addition to our team. In the middle phase team, we also have a change of name! Congratulations to Mrs Tanner (formerly Miss Seater) on her wonderful marriage over the holidays.

At the end of last term, Park Lake State School had a number of students enter the Active Travel Competition. Freya, Lucy, Ava and Deegan won first prize in the group category. These students will be presented their certificates and prizes at the next middle phase assembly. I would also like to congratulate Milan and Paige who also made a fantastic entry into the competition.

On Monday, 20 Year 6 students were chosen at random to participate in the National Assessment Program – ICT literacies. These students completed 4 x 20 minute assessments to test their abilities in the use of Computers and Technologies. All students completed their tasks confidently. The school will receive the accumulated results, however individual student results will not be available. This will assist us in guiding our ICT studies into the future.

Year 3 and Year 4 have commenced their swimming lessons. Families are reminded that swimming is to be held each day for a two week period.

As an addition to our life education program, Year 7 students will also have the opportunity to participate in a Relationships and Puberty program. This program is designed to assist young people develop a positive attitude towards their own sexuality and provides them with information on how to look after themselves during this stage of their development. This will be run by the team at Life Education and all lessons will be run in gender groups. The first lesson will focus on the physical, social and emotional changes experienced during puberty and helping students understand and cope with this important phase of development. The second session will focus on the characteristics of healthy relationships. A parent information evening will be held on Tuesday 28 October at 6pm in the library. If you are interested in attending this information session, can you please email the office@parklakess.eq.edu.au so that we ensure that we have adequate resourcing available. Additionally, if you do not want your child to attend these sessions, please inform your class teacher.

Finally, a quick reminder that this coming Monday, 20 October there is a pupil free day across the state. Our staff will be participating in First Aid training on this day.

Have a fantastic fortnight.

Barb Tong
Deputy Principal

P&C CORNER

Welcome back to our last term of 2014! We hope everyone had a fabulous school holiday! Keep an eye on this spot for upcoming events for Term 4! If you are able to help out with these activities in any capacity, we would love to hear from you! Enjoy the term!

Lorrie Watts
Park Lake SS – P&C Association

TUCKSHOP

Welcome back to all our families! Just a reminder that our tuckshop has resumed operations this term and we are now open Monday to Friday.

Last week all families should have received a flyer from the Tuckshop requesting volunteers. We are in desperate need for volunteers particularly for Thursday & Friday mornings from 8:45am till 11.15am. If you are able to offer any help on these days, or at any other times, please email us or drop in for a coffee and a chat during tuckshop opening hours.

Thank you for your time and for supporting our school tuckshop.

Gretchen & Karyn
Tuckshop Managers

UNIFORM SHOP

The Uniform shop has re-opened for Term 4 – Friday mornings 8.15am – 9.00am. Later this term we will be extending our opening hours to include Tuesday mornings.

Term 4 is a very busy time for the Uniform Shop, with some Polo sizes already sold out! For those who wish to purchase uniforms ready for next year, we are expecting stock later this month. We will advertise these details when stock becomes available.

ENTERTAINMENT BOOKS

Struggle to find interesting activities at a reasonable price these school holidays? Maybe you should consider an Entertainment Book for the end of year break? These books are fantastic value featuring hundreds of discount vouchers including Great Activities, Casual and Formal Dining even Accommodation and Car Hire! You can check out all these books have to offer at either Administration or the Uniform Shop! They are available for you to order online www.entertainmentbook.com.au/orderbooks/148744x or by completing the order form and returning to the office or the uniform shop.
UPCOMING MEETINGS

MORNING MEETING
Tuesday 28th October, 2014 – 9.00am
(In the staff room – next to the library)

EVENING MEETING
Tuesday, 25th November, 2014 – 6.30pm
(In the staff room – next to the library)
We have only two more meetings this year – we would love you to come along and check out what being in the P&C is all about. We welcome your ideas on how we can improve our school and our community.

SPOTLIGHT ON LEARNING

Dear Parents and Families,

Welcome back to our final term for the year. Your children’s first year of school has been an exciting journey of learning academically and socially, from the beginning they have adjusted to a new environment, teacher and daily routine. The Prep teachers would like to thank all the parents and carers who have supported us and volunteered to help out in the classrooms and on excursions.

There are a few exciting events happening this term. We have our farm visit on Friday the 17th of October to Paradise Country. This excursion ties in with our science curriculum as we will be discussing animal habitats, movement and materials. Additionally we have our Life Education van onsite; the students will be meeting Healthy Harold to discuss a range of healthy topics including nutrition and safe choices. You will be receiving your child’s report card this term, please remember to discuss and celebrate this with your family as students have engaged in a range of learning experiences and subject areas. We will begin to prepare your child for their transition to Year 1, this will include their roles and responsibilities and the location of the Year 1 buildings. Term four is a great time to encourage your child to be organised for school and independent in the morning transition into the classroom. This term we will be having many of our Prep classes host assembly, please keep an eye out for your class schedule. We wish you all a safe and happy festive season.

Yours Sincerely,

2014 Prep Teachers

CURRICULUM CORNER

I would like to take this opportunity to introduce myself as Park Lake State School’s new School Chaplain. My name is Nicholas Carroll and I started at Park Lake in term 3.

I have found Park Lake to be a very warm and welcoming school community and I am excited to have the opportunity to be a part of this great community.

My role within the school is to provide pastoral care and support to students, staff and parents. A school chaplain is a safe person for children to connect with at school, providing a listening ear and a caring presence. My role is also to help students find better ways to deal with issues such as bullying, friendship issues, peer pressure, family breakdown or any significant change in a child’s life. I work closely with the GO, administration and other support staff within the school.

My days at Park Lake are Thursday and Friday; if you wish to contact me, feel free to call the school office.

Regards,
Chappy Nick

Chaplaincy / Pastoral Care

Chaplaincy services provide spiritual, ethical, and personal support to school communities. Chaplains are present in schools at the invitation of the principal, in consultation with the local community, and with the support of the P&C Association. Our school chaplain Nicholas Carroll, is an employee of SU QLD, Australia’s largest employer of school chaplains.

Chaplains are a safe person for young people to connect with at school, providing a listening ear and caring presence. The chaplain helps foster a supportive and caring school community. This support and pastoral care extends to staff and families. Working with other members of the school’s support team, the chaplain helps students find better ways to deal with issues such as friendship issues, peer pressure, family breakdown, anxiety or any significant change in a child’s life.
This position is funded through the National Schools Chaplaincy and student Welfare Program (NSCSWP) with support of a local Chaplaincy Committee. Chaplaincy is a voluntary service available to everyone in the school community regardless of their religious beliefs. The chaplain does not provide religious education in the school and does not initiate discussion pertaining to Christianity or spiritual matters. Written parental consent will be required for your child to meet with the school chaplain. Such discussion is at the instigation of the parent or student and is dealt with in a sensitive manner.

The Chaplain can provide a broad range of services including:

- Support and assistance for students, staff and parents of the school community
- Student development programs that aim to develop self esteem, resilience, teamwork, leadership, goal setting skills, motivation, helping skills, life skills
- Participation in the classroom addressing various issues such as values, tolerance, self-esteem, peer pressure, bullying, grief and loss, relationships, etc.
- General involvement in the life of the school community (e.g. carnivals, camps, excursions, sport, etc)
- Liaison between the school and community groups/agencies

Nicholas is at Park Lake State School on Thursday and Friday and can be contacted through the school administration.

(For more information on school chaplaincy you can visit www.suqld.org.au)

**ECO MARINE NEWS**

Welcome to our second edition of Eco Marine news. This fortnight we are focusing on reducing the amount of waste and correct disposal of our rubbish. The link below shows the amount of garbage that ends up in our waterways with all drains leading to our oceans directly impacting on all wildlife.

http://www.youtube.com/watch?v=1qT-rOXB6NI

This term Park Lake is focusing on Ban the Balloon and the correct disposal of balloons. Have you ever wondered when balloons are released where they end up? When you have a party in the park do you take your balloons with you when the party is over? It isn’t a party for our ocean wildlife who mistake balloons for food.

Please watch the attached video link to get an insight into what happens with released balloons. The correct disposal of a used balloon is by releasing the air and placing in your bin.

http://www.youtube.com/watch?v=5YCnz8paK4c

Be part of the solution not the pollution!

*It’s Cool to Be an Eco School*

BOOK FAIR IS COMING!

Our school is about to launch a reading celebration – A Book Fair Garden. Yes, it’s that time of year again when we turn our Library Resource Centre into a book store for a week and a half. Times and dates are as follows:

When: Tuesday 21st October – Wednesday 29th November
Where: PLSS Resource Information Centre
Times open: 8.15am-9am; First Break; and 3pm– 3.30pm
Special extended opening hours Wednesday night 22nd
5pm-7pm

Our Fair is a wonderful reading celebration, giving your family the perfect opportunity to select books together. Plus your support of this fundraiser provides valuable learning resources for our school. EFTPOS is available for those who wish to use credit card.

Everyone who buys a book or two (!) will get a chance to enter a competition to win a $30.00 voucher to be spent at the Fair. There are 2 vouchers available.

Please be aware of our special extended hours on Wednesday 22nd from 5-7pm. This time is especially for those parents who cannot make it during school hours. Parents, grandparents and friends are all invited!

All classes will be timetabled in during the first week to peruse the Fair and write wish lists. Please see the attached flier for a quick look at what will be available. Please note that this only shows a small selection of what is available.

Hope to see you there,
Marcia McMahon, Teacher-Librarian

NEW ENROLMENTS 2015

Park Lake State School will be holding two General Enrolment Information Sessions, which are for new enrolments for all year levels including prep.

Session 1: Wednesday 19 November, 9:00 – 10:00am
Session 2: Tuesday 25 November, 5:00 – 6:00pm.

You will only need to attend one of the above sessions if you currently do not have a child attending PLSS. Of course, current families are most welcome to attend if you would like to.

A Prep Orientation Session is being held on Monday 24 November, 9:30 – 10:30am. This is for prep students attending PLSS in 2015 only. There will now be only one session held on this day due to a lack of numbers for the second session. Those parents who have registered for the second session ie Monday 24 November, 12:00 – 1:00pm, will have been notified during this past week.

Prep students are expected to attend the orientation session being held on the 24 November.
