FROM THE PRINCIPAL’S DESK

Dear Parent/Carer

At different times throughout the year I take some time to consider the journey of our students and school community in relation to our school purpose and values. Our school purpose is based on our school motto of ‘Learning and Growing Together’ using the first letter from each word; we strive to assist our students to be: Literate, Active, enGaged and Transformative.

I have included a copy of our Statement of Purpose and School Values as a link below for you to have a read. You will find that our Statement of Purpose is brief, however encompasses all of the elements necessary for a child to be successful. I have read, and in fact written, many Statements of Purpose during my years as a Principal, many have been long and all inclusive of every possible thing that could be thought of at the time by those contributing to the development of the statement. However, the fact is that after they were written no-one ever really remembered the statement, could talk about it easily or were able to actually fully align themselves to it. Our Statement is simple, it is easy to remember and I believe it is very powerful and aligned with our school values. My aim is that this language becomes a part of the culture of our school, as we speak to our students about Learning and Growing Together and what that means as a community of learners. They should also become very familiar with the four elements of our Statement of Purpose so that they really understand what their job as learners is and they can discuss confidently with their teachers, parents and peers what they are striving to achieve in each element.

In relation to my opening statement regarding our progress compared to our motto and Statement of Purpose, I believe that as a school community we are achieving very well with our journey. Our students certainly display excellence in relation to our values and beliefs, we are a real community which works TOGETHER to assist each learner to GROW AND LEARN, I believe fully that we also learn from our students. The level of literacy across all areas of school continues to grow, whether that be in the literacy of Mathematics, English, Science or any other learning area. Our school community is certainly active in all senses of the word, in fact our activity as global citizens is outstanding, and this is certainly supported by the level of engagement in the learning journey by our students, staff and parents. Transformation of learning is the area that I am most in awe of, our students are really beginning to take their learning and knowledge and apply it in so many different ways to assist them to continue learning, to solve problems, to resolve issues and to achieve in all aspects of their personal development. If you can help your child with any one thing it would be how to pull together the knowledge they have and apply it to other areas of their life, we need to be problem solvers, not always on our own but in teams too, some of the most successful people in the world are able to take information and use it, apply it differently, work in teams and never give up. Please take the time to have a read of the document linked below, it is a one page document which drives our school.

Over the past few weeks our local High Schools have been holding their annual awards presentations and it has been very satisfying to hear about the number of past Park Lake State School students who are picking up awards for outstanding achievement. One of our main focuses is to prepare our students for the future, to build in them the independence skills necessary to succeed in life, combined with persistence, resilience and confidence. Sometimes it is said that successful people are lucky, I don’t believe that this is the case for the vast majority of successful people, hard work and respect for others brings with it success. Sometimes this can happen quickly but more than likely it will be a prolonged period of time before the rewards are reaped and the ability to motivate yourself to get up every day and focus on what you need to achieve, the confidence and resilience to have a go and the persistence to not give in easily are great assets to have in life. My congratulations to any of our past students who have achieved success in their studies at High School this past year, in fact for any success be they academic, cultural, sporting or traineeship based.
Whilst on the subject of awards our annual Whole School Awards and the Year 6 and 7 Graduation will take place on Tuesday 9 December in our hall. Commencing at 9.00am we will present awards to students from Years 4 to Year 7 followed directly by the graduation ceremony for our Year 6 and 7 students. This ceremony should conclude by 11.00am. Our Prep to Year 3 awards will commence at midday and should conclude by 1.00pm. Both ceremonies will be followed by light refreshments for the parents of our award recipients and graduating students. Parents of graduating students and award recipients will receive a letter outlining the day, unfortunately we will need to restrict the number of attendees for each child to two due to the capacity of our hall to ensure that all families have the opportunity to attend if they wish to.

During the last two weeks I have had the pleasure of visiting several classrooms to participate in the learning activities of the students. I was very impressed with the depth of questions asked by the students in Chagun in relation to natural disasters and our community and school preparedness should such an event take place. When visiting the Dingo students I was amazed at the quality of writing and reading they shared with me during their Daily 5 session, absolutely outstanding. I also had visits from over twenty students to share their fabulous work, from writing with sizzling starts to sharing research projects on Hinze Dam, it is fabulous to see our students growing and learning so well. Thank you to the class teachers for working so hard to assist their students to reach their goals and then to rechallenge them to continue to learn. If we help our students to set challenging, yet achievable goals and then support them with their learning then they can achieve at the highest levels and I have clearly witnessed this myself this past few weeks, there are very exciting times ahead.

Have a great fortnight.

DEPUTY PRINCIPAL NEWS P - 2

Hello Everyone

Since I last communicated with you all last I have had the pleasure of having many students share their learning with me and I have been really moved by their accomplishments.

Bessy, Zali, Jai, Lucas and Haylie from the Stingray class shared their WANTED posters with me. Their descriptive vocabulary enabled me to create a visual image prior to sharing their self-portraits dressed as pirates. Well done ‘me hearties’.

Khy and Eva: from the Green Tree Frogs demonstrated writing confidence. Their spelling attempts were also wonderful.

Joseph from the Platypus class: Outstanding Remembrance Day poster.

Our Bravehearts: Ditto Show will occur on 27 November. It is usually well received by our students as many simple but important messages are conveyed in regards to the importance of keeping their bodies safe. Please continue to have these discussions with your children. They can be challenging conversations at times however vital to their well-being and security. All students will attend this program as it is a priority for our school.

The Beach Safe Schools Program was conducted last Tuesday for all students in our school. It is a surf safety education program that visits Primary Schools throughout Queensland, educating students on all areas of aquatic and beach safety, to ensure that all beachgoers have a safe and enjoyable visit to their local beaches. Our students gained some valuable information from these sessions.

Our teacher aides often slip under the radar however are instrumental in the implementation of our days here at PLSS. You are wonderful and I just wanted to remind everyone how special you are to us and our kids. Thanks for your continued efforts in supporting our students.

A few reminders about the events that are taking place towards the end of term:

- **Swimming Carnival** Tuesday 18 November
- **Parent Information Events for new families** - 19 November 9:00 – 10:00 a.m. or 25 November at 5:00 – 6:00 p.m.
- **Prep Orientation Morning** Monday 24 November at 9:30 – 10:30 a.m.
- **P & C Music from the Movies Family Night** Thursday 27 November 5:00pm – 8:00pm
- **Koala Joeys Playgroup** Concludes Thursday 27 November

Please make note of these dates on your calendar.
Finally teachers are currently collating data, finalising assessment and writing reports. It is therefore important that students are making sure that all work requirements are being completed, handed in and giving their best effort every day. Please encourage your children to finish the year on a positive note, reminding them of the expectations in relation to manners, behaviour and attitude. Thanks for your continued support.

Congratulations to Mrs Streeter and Mrs Martin on the arrival of their new babies. We wish them every happiness with their bundles of joy.

There are only 22 days of school remaining, let us all enjoy what is left and make the most of each and every day. Share a smile

DEPUTY PRINCIPAL NEWS MIDDLE PHASE

Hello, my name is Craig Attenborough and I have had the pleasure of being ‘Acting Deputy Principal’ whilst Mrs Tong has been away on long service leave. I usually teach the Year 6 Goromgunn class here at Park Lake.

This is my first year at Park Lake State School after spending 24 years teaching in different locations around country Queensland, the majority of which being in Bundaberg. I have been lucky enough to have taught in many fantastic schools in that time. I must say that Park Lake is among the best of them. One particular area I think Park Lake stands out in is the way the children wear their school uniform with pride.

Over the course of the week I have been able to visit many classrooms and become familiar with other students I wouldn’t normally meet from across the school. I have found each and every one of them to be courteous and well-mannered. Well done kids!

Most of our year 6 and 7 students recently attended a ‘Beach Safety Day’ run by Surf Life Saving Queensland at Southport Surf Life Saving Club. It was a great day with the students learning basic first aid skills, surf awareness and participating in other life saver style activities. Thank you to the attending teachers and staff for making the day a great success. Our Year 5 students will get the opportunity to attend a similar day on the 3rd December.

I hope that Mrs Tong had a well-deserved break and I would like to take this opportunity to thank all of the teachers and particularly the administration staff for their professionalism and teamwork to make my week in this role an even more enjoyable experience.

Yours in Education,
Craig Attenborough
Acting Deputy Principal

P&C CORNER

As the end of the year quickly approaches we have only a few more events remaining for 2014! We will be celebrating our wonderful Park Lake State School Community with a family night to be held on 27th November. Our final P&C meeting for the year will be held on Tuesday 25th November 6.30pm – we will be celebrating the wonderful year we have had in 2014. So if you have been involved in the P&C this year (or if you would like to know a little more about who we are) we hope you can join us!

Lorrie Watts
President
Park Lake State School P&C Association

TUCKSHOP

Thank you to those parents who have contacted us to become involved in the school tuckshop. The tuckshop is a great way to get involved with the school and to meet other parents. We are still seeking volunteers so if you are able to assist once a week, once a month, during the morning or all day, please come in for a coffee and a chat.

Karyn & Gretchen

THE UNIFORM SHOP WILL BE CLOSED FRIDAY
14th NOVEMBER

Due to personal commitments the uniform shop will be closed this Friday.

We apologise for any inconvenience this may cause.

EXTENDED TRADING COMMENCING TUESDAY
18 NOVEMBER

Tuesday & Friday – 8.15am to 9.00am

As many families prepare for 2015, the uniform shop will be opening an additional day till the end of this term. All uniform items are now in stock.

UNIFORM PRICE INCREASE FOR 2015

We wish to advise that in 2015 there will be a slight increase to some of our uniform prices. Since our school opened in 2008 we have not had an increase in our uniform prices and we have been absorbing the price increase across uniforms and freight charges. Order forms with our new pricing will be available from the school website and the office shortly. We understand that uniform purchases can sometimes put pressure on the family budget and for this reason we do have flexible layby options available. For more information please feel free to come and have a chat to our Uniform shop staff.

Thank you for your support and understanding.

FAMILY FUN NIGHT!!!

As is tradition, we will be hosting our Term 4 Family Fun Night on Thursday 27th November. We look forward to seeing everyone there to celebrate another fantastic year at Park Lake! If you are able to offer some assistance on the night we would love to hear from you. Please contact Lee-Anne by emailing lbm2479@gmail.com
ENTERTAINMENT BOOKS!!!

With school holidays quickly approaching and many families planning their end of year holidays! Maybe you should consider an Entertainment Book for the end of year break? These books are fantastic value featuring hundreds of discount vouchers including Great Activities, Casual and Formal Dining even Accommodation and Car Hire! You can check out all these books have to offer at either Administration or the Uniform Shop! They are available for you to order online www.entertainmentbook.com.au/orderbooks/148744x or by completing the order form and returning to the office or the uniform shop.

***BONUS***

$11.00 from each membership goes back to supporting our school.

CURRICULUM CORNER – CAFÉ

(Comprehension, Accuracy, Fluency & Expanded Vocabulary)

At Park Lake we use a reading structure called Daily 5 - the Daily 5 is a specific set of activities that has the students independently:

Reading to Self
Reading to Someone
Listening to Reading
Word Work
Working on Writing

(... while this is occurring the teacher conducts the Work with Teacher aspect of Daily 5)

The classroom teacher initially introduces the CAFÉ reading menu and the associated goals (reading behaviours, skills & strategies) as a focus for the whole class. The teacher then continues, throughout the Work with Teacher aspect of Daily 5, to work with individual students during one on one conferencing sessions. Firstly to assess, then set, define and model specific reading goals and finally to check in and observe student’s progress with regards to how well they are

Wow! This term is flying past at such a pace. We have been very busy completing our end of year assessment items. We are very proud of the progress that the Year 3 students have made. Please remember a C on report cards is to be celebrated as it indicates that a student has achieved year level expectations. We have begun an anti-bullying program. Students will attend 4 sessions to identify bullying behaviour and develop strategies for dealing with these behaviours. Since the beginning of term we have been focussing on the 1950’s hand jive for dance. Fortunately it ties in perfectly with the theme for our upcoming School Dance - Music from the Movies. Students can decide to dress in 1950’s attire or Grease themed outfit. We look forward to seeing many of our families on the night. If you are unable to attend this event please advise your child’s class teacher. We would like to wish you all the very best for the reminder of the year and the holiday period.

SPOTLIGHT ON LEARNING

Throughout semester two, Year 2 focussed on a History unit called Exploring Our Local Community. The year level had to select and investigate a Gold Coast landmark. We chose Burleigh headland to study and explored its historical relevance to the local Kombumerri Aboriginal people. We researched how it was formed, why it was important to the Kombumerri people and why it is still important to people today. The unit is culminating with an excursion to the Jellurgal Aboriginal Cultural Centre at the base of Burleigh Heads National Park. As part of the excursion we will visit an ancient Aboriginal ochre pit and shell midden, as well as watch a traditional fire dance ceremony. Year 2 are very excited about the excursion and hope to share some snaps with you all when we return.

The Year 2 Team

Burleigh Headland
independently implementing and developing their goals. The teacher may also cluster students with the same goals together and through a small group guided reading session, focus on the specific skills needed to achieve individual goals and improve independence, stamina and comprehension.

“I have a passion for teaching kids to become readers, to become comfortable with a book, not daunted. Books shouldn’t be daunting, they should be funny, exciting and wonderful; and learning to be a reader gives a terrific advantage.”

— Roald Dahl

**STUDENT COUNCIL EVENTS**

**FREE DRESS DAY** to support the Animal Welfare League Qld (AWL) Friday 28th November

**PARK LAKE HAS TALENT** Friday 28th November, 2014.

Some of our talented students have been busy participating in class and year level heats for “Park Lake Has Talent.” It has now been narrowed down to two students in each year level. These students will be performing in our final, which will be held on Friday 28th November at 11:50am. Parents and friends are welcome to attend.

The Student Council is also holding a Free Dress Day on Friday the 28th November to raise money for the Animal Welfare League of Queensland (AWL).

Students who wish to come in free dress are asked to bring in a gold coin donation on the day. Please remember, students must wear appropriate sun safe clothing and closed in shoes.

The AWL is a non-profit organisation who takes care of approximately 10,000 stray and abandoned animals annually from South East Queensland. The organisation relies predominantly on the community for support to keep their shelters open, and to continue the wonderful work they do for these needing and deserving animals. If you would like to know more about the Animal Welfare League Queensland, please visit their website http://www.awlqld.com.au/

**SOOP UP YOUR SCOOTER DAY**

Wednesday 19th November is Soop up your Scooter day! This means that all students (and anyone else who is interested) are invited to decorate their scooter and ride it to school as part of Walking Wheeling Wednesday. There will be a small prize handed to every participant and to the best decorated scooters from P-2 and 3-7.
Thank you in advance for your support.

Kind regards,
The Student Councillors and Miss Bell

ECO MARINE NEWS

The Park Lake Eco Warriors have organised an “Eco Day at Park Lake” for Wednesday the 10th of December. This day is to raise awareness about all the things we can do to protect our environment and animals. There will be an emu walk, eco art activity and an environmental movie.

Our very caring students Taylor and Madison from Yarga have started up a Park Lake Animal Protection Group. This group will meet in the Great Barrier Reef classroom at first break commencing Wednesday the 12th of November. All are welcome.

Ban the Balloon!

With the hot weather well and truly here, water balloons are fun to play with, but not fun when they get into our environment and waterways. The Eco Marine Warriors would like to remind everyone to make sure that they dispose correctly of any balloons that they use. If you see it on the ground, pick it up and bin it down!
