

Hi! My name is Beck, but most students just call me Chappy. I am the current school chaplain at Park Lake SS, and have been here since term 2, 2019. I grew up on the Gold Coast and love to spend time in the outdoors with my husband and 2 kids riding bikes, going on rainforest walks, camping and 4WDing. I have a heart for helping children and I show children that they have inherent worth and purpose. I love that I get to hang out with kids all day as my job; building relationships that see kids grow and thrive in their community. I provide a safe place for students to learn the skills they need to deal with friendship and social issues, peer pressure and bullying, family breakdown or significant change. I work with students in both one-one and small group sessions where we play games and do activities that develop resilience and social skills that they will use throughout their lives. My role also involves speaking to staff and families about their social, emotional and spiritual wellbeing. I have programs that support families in need, including breakfast club, a second-hand uniform shop and community support on a needs basis which can involve outreach and referral to community organisations. I also work closely with the Guidance Officer, teachers, administration and other support staff within the school. I am at school on Wednesday and Thursday each week and you can contact me by calling the school office. I look forward to seeing you around the school grounds! Chappy Beck
