

Enrol now for Prep 2021!

Prep Interviews for 2021 are now underway and will continue into early term 4. To arrange your child's interview, please contact the office today for an enrolment package and details of the transition process.

Is my child eligible?

Children must turn five by 30 June, 2021 to commence Prep in 2021.

How do I enrol?

To request an enrolment pack and information on the enrolment process, please contact our school office via email: office@parklakess.eq.edu.au

For any family needing support with an enrolment, please ensure you phone the office on 55195200, so we can schedule a face to face appointment time if needed with one of our admin staff. We still have restrictions in place, with no parents or non-essential visitors being allowed on site without having a scheduled appointment. Scheduling of appointments ensures we can maintain social distancing requirements and safety protocols for everyone.

Can I enrol online?

Enrolment forms can be downloaded from the school website: <https://parklakess.eq.edu.au>
Once complete please contact the school office to discuss the next steps in the enrolment process.

Will there be a transition day or an opportunity for a school tour?

Yes, each of these are important components of preparing your child for the best start to school. Once enrolment paperwork is submitted and confirmed, families will be contacted to arrange an interview and confirm transition arrangements, including organisation of uniform fittings.

Looking for resources to begin preparing your child for school?
